RESIDENTIAL REAL ESTATE

RESIDENTIAL REAL ESTATE BUYING, SELLING AND RE-FINANCING

Douglas Robertson's extensive experience in Residential Real Estate combined with a friendly, professional and thorough approach ensures the entire process is as efficient and stress free as possible for every client. We also understand that no-one likes surprises when it comes to legal fees. This is why we offer flat rate fees on all residential transactions, to keep legal fees affordable and upfront for our clients.

At Douglas Robertson LLP, we do not charge extra for items such as: rush files, monoline lenders and multiple payouts. Our fees do not increase based on the purchase price.
