Contact us at support@crebifax.ca or call (403) 592-8000 or toll-free at (877) 243-3949

How to: Send SMS with Your Email

The platform gives you the functionality to send SMS messages using your email address. This unique combination ensures that messages are sent to the cell phone while the email record is also being maintained.

Step 1: Open your Email Inbox and click New Email/Composer

Step 2: In To, type the address in below format:
<number>.sms@crebifax.ca

Step 3: Type in the message to be delivered with subject and then send.

Step 4: The recipient will receive the message as SMS on their Cell phone.
