

Prospects Mobile®

Connected and engaged on the go

Deals are made on the road. Prospects Mobile is a premium mobile app by Prospects Software that keeps you connected to listings and engaged with leads and clients from where ever you are.

Integrated with Matrix™, Client Portal and Prospects CRM -

Prospects Mobile is part of a seamless mobile and desktop ecosystem. You can add or edit contacts in your mobile app and the data will synchronize automatically across all platforms. Suggested listings and favourites sync between Prospects Mobile, Matrix, the Client Portal, and Prospects CRM. And Client Carts and Saved Searches sync with Matrix.

“ Using Prospects' Brand & Share™ feature has really improved my client engagement. My clients love having mobile access to all the listings in our market, and when they have questions they can easily contact me directly. ”

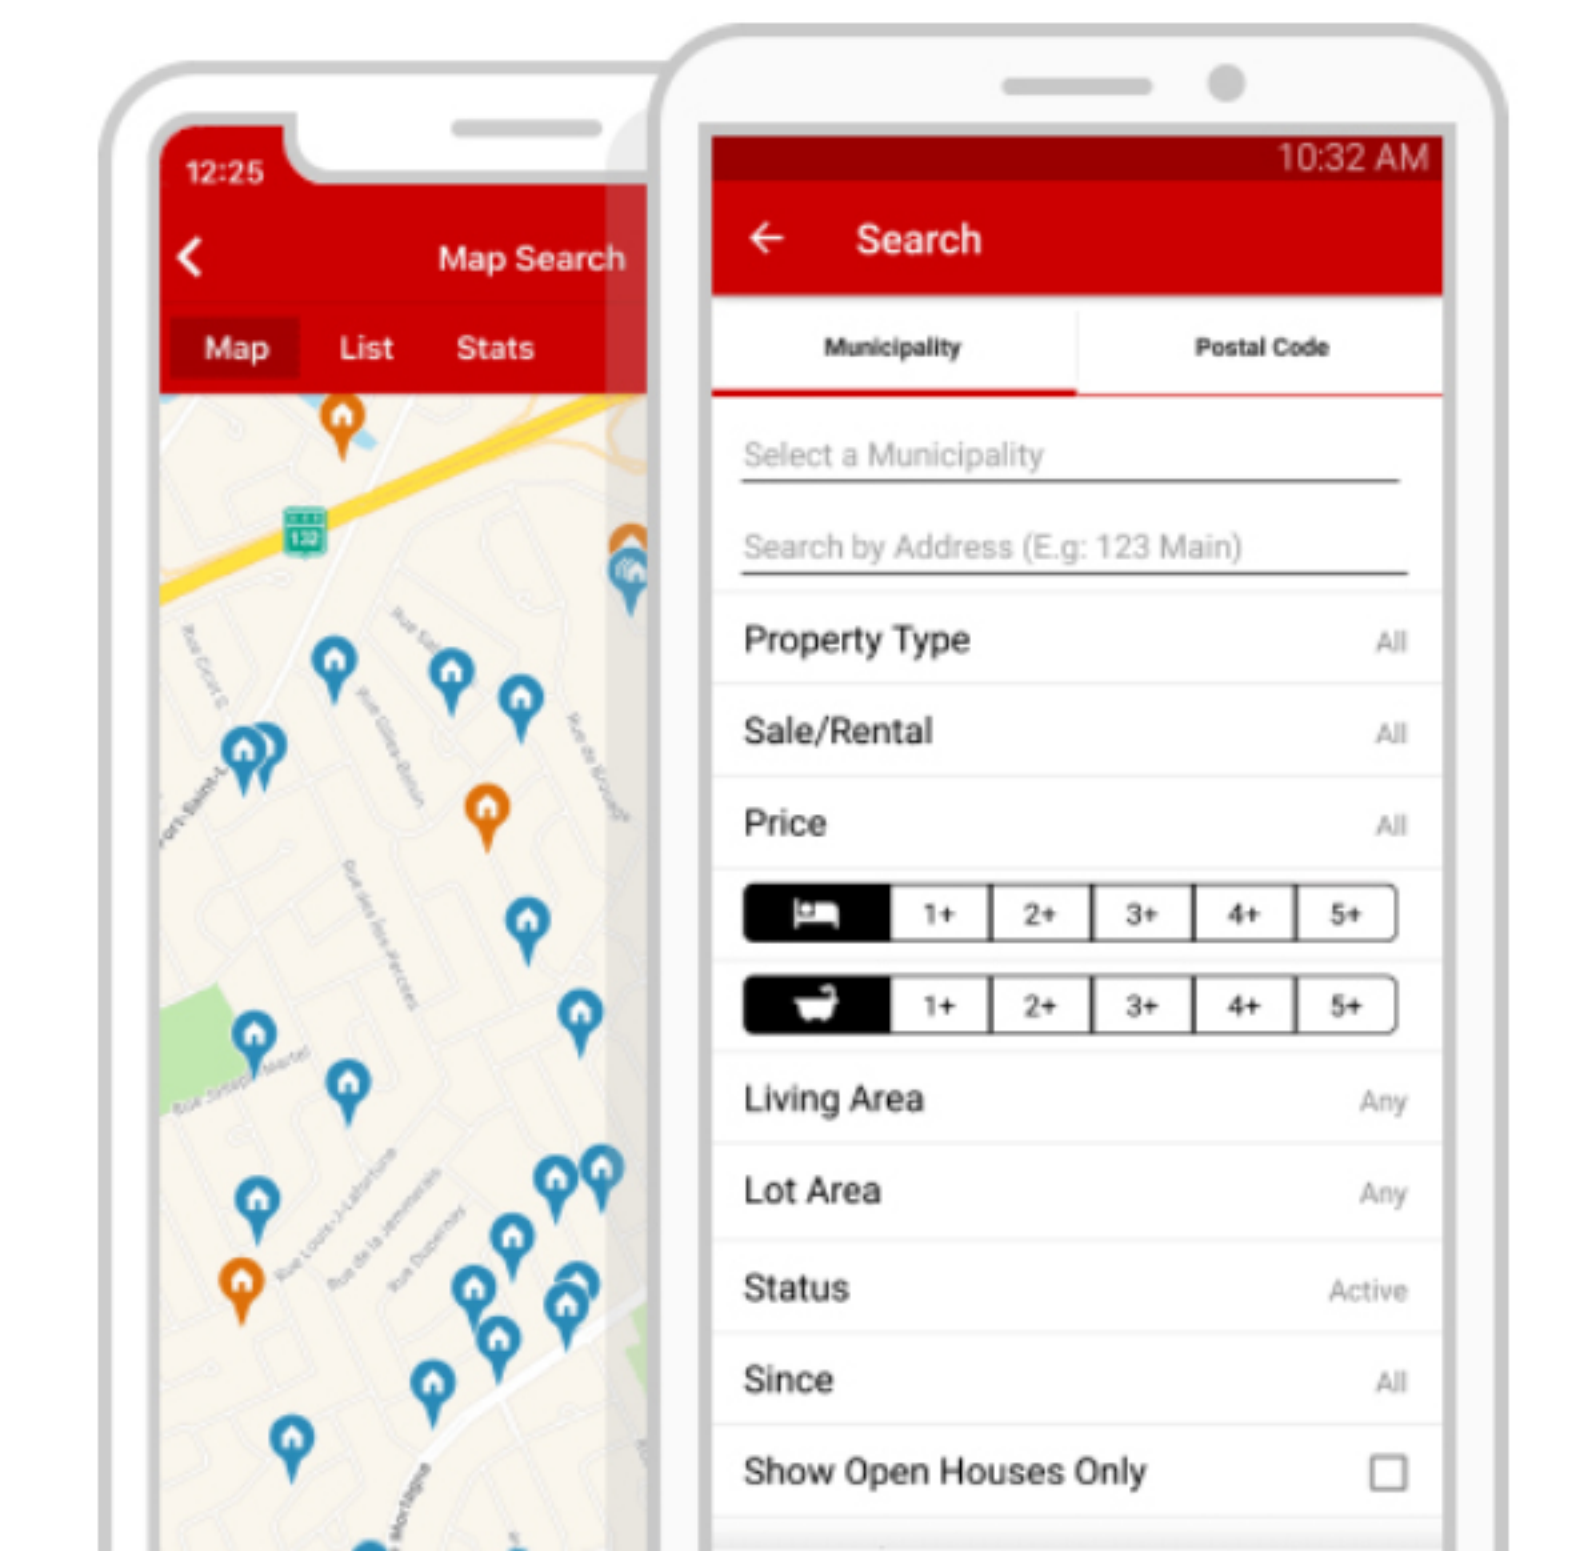

Jeff Mikolajow,
RE/MAX First

“ We love Prospects Mobile! Being one of the top teams in Canada, we get many requests and our clients want answers quickly. Prospects Mobile allows our agents to send listings by email or text while they're on the go. And the instant comparables, always at our fingertips, help us serve our clients like never before. ”

Georges Bardagi,
RE/MAX du Cartier

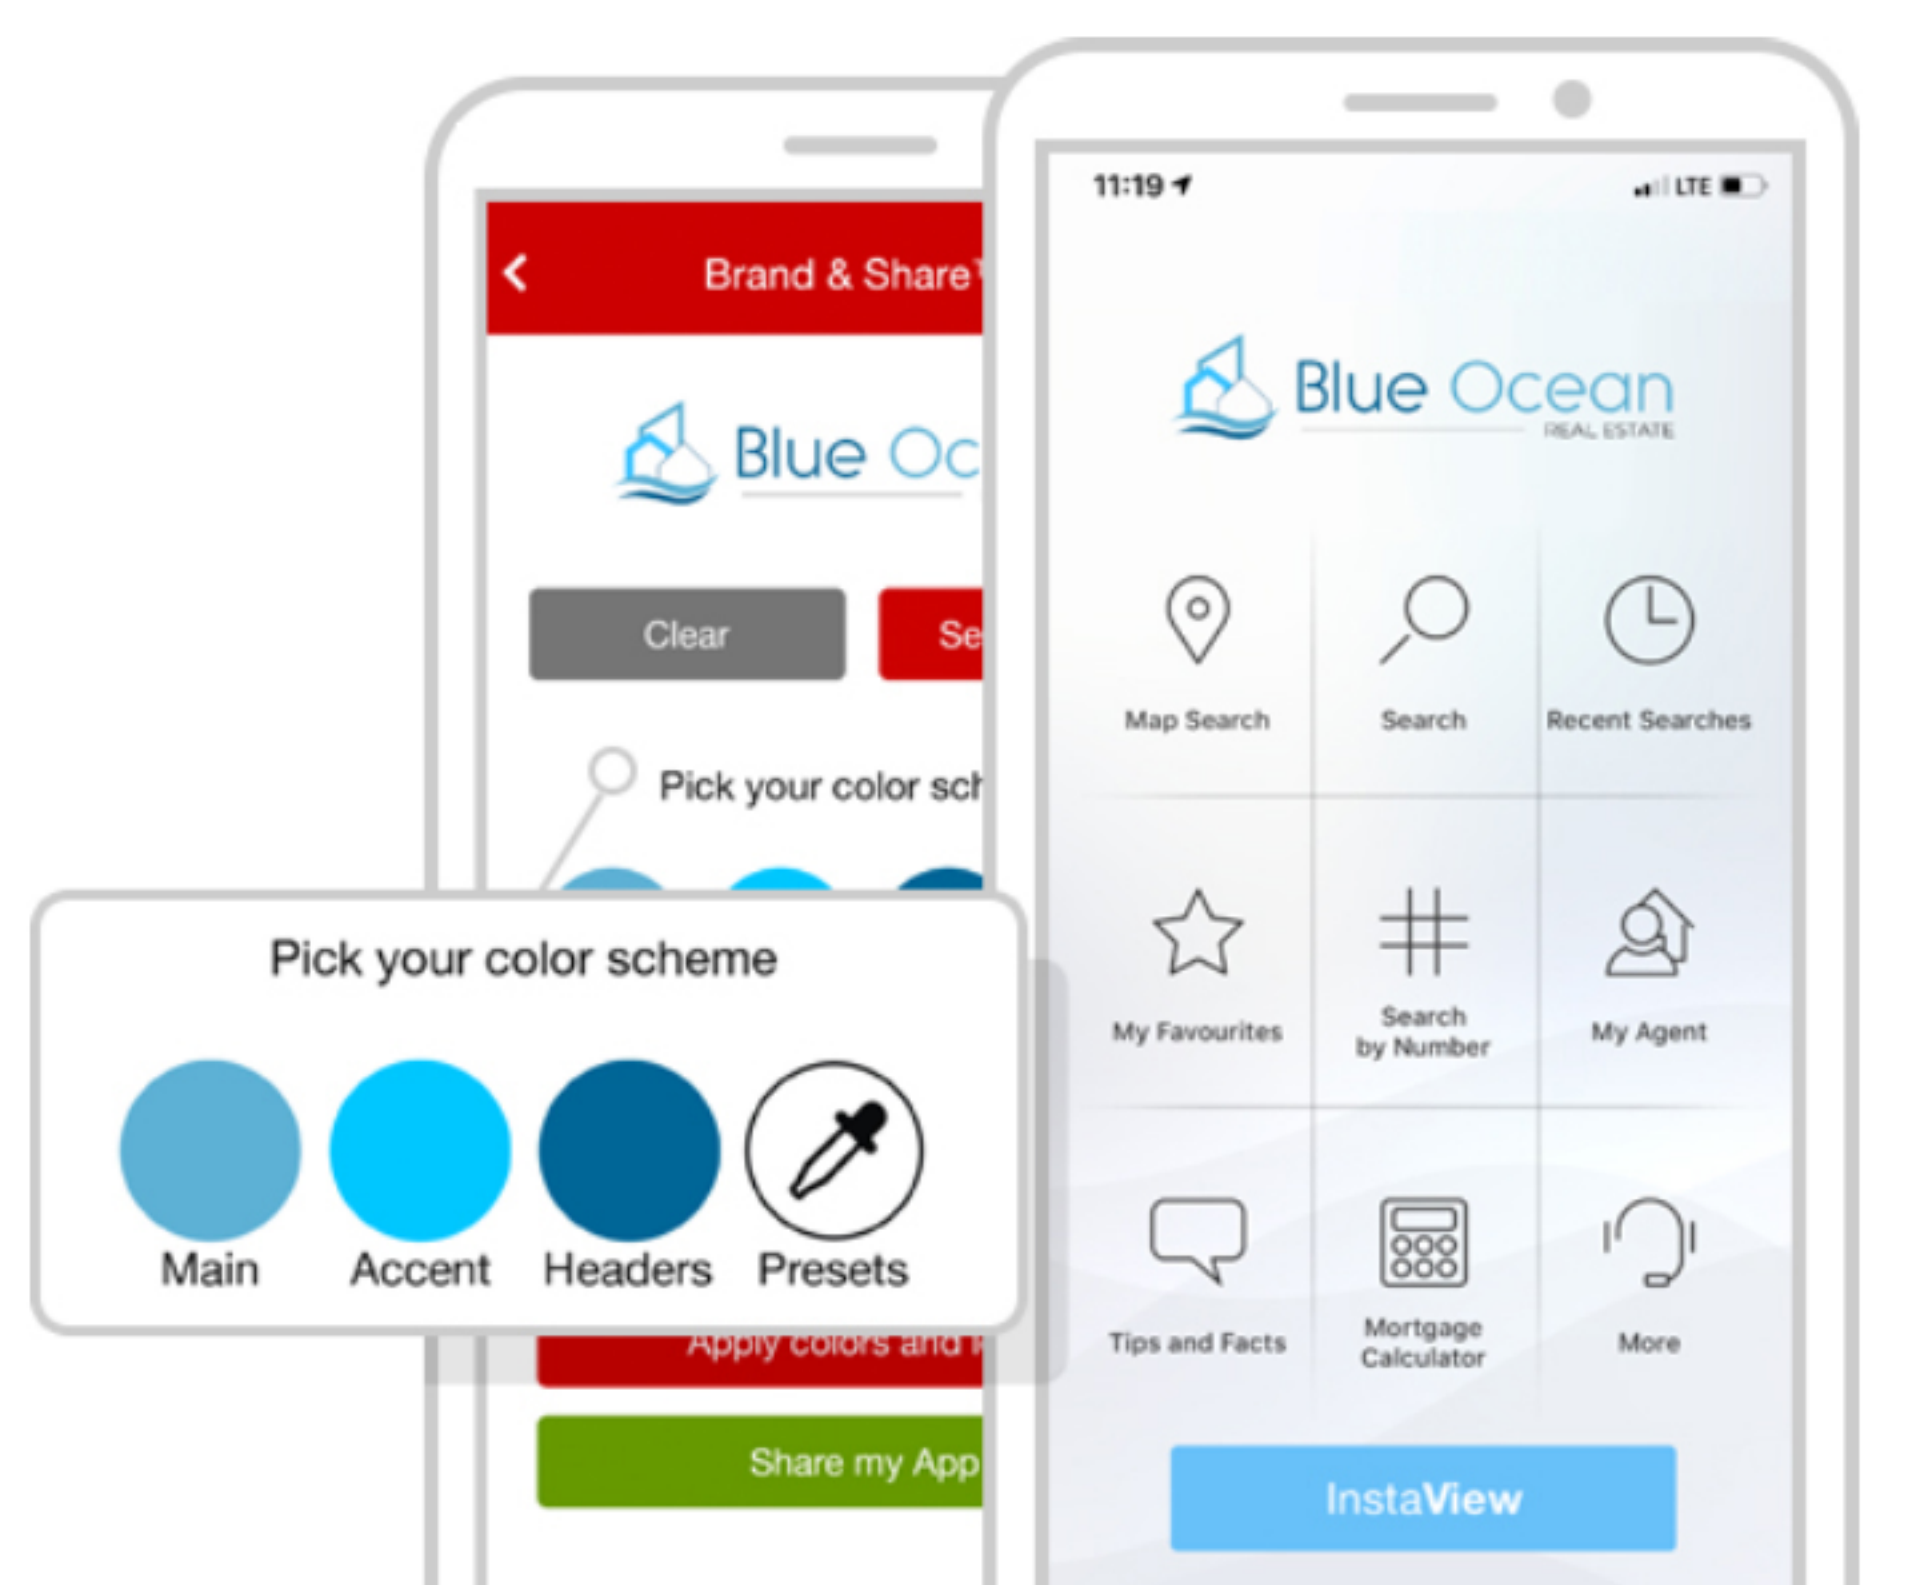

FEATURES

Search the MLS: Use the map to search for active, pending, sold and expired listings.

Live Market Stats: Manage seller expectations and strengthen your buyer's negotiating position with instant market stats.

Brand and Share: Use Brand and Share to create your own branded app and give your clients access to ALL listings in your market. Easily share suggested listings, and track clients favourites in Prospects Mobile.
